

Digital Terms and Conditions

- The customer receives a non-exclusive, non-transferable license.
- The software license is associated with the user's email address and PC. In the case where the license needs to be transferred to a new PC, a request must be sent for the re-assignment of the PC.
- Data remains the customer's property, while BME owns the software and algorithms.
- Support is available Monday – Friday. There might be a slight delay in response depending on the time zone.
- The subscription renews annually and is paid for upfront.
- Customers may not decompile or redistribute the software.
- All data is saved locally to the user's PC. It is advisable to back-up their folder and files on a regular basis.
